I am suggesting that we look at the following poems:

Elegy XX (in other anthologies, it's Elegy 19)--"On His Mistress, Going to Bed" (Under the “Elegies” subheading)

Songs and Sonnets:

Go and catch a falling star

The Flea

The Canonization

The Sun Rising

The Good Morrow

Valediction: Forbidding Mourning

The Relic

The Exstasie (Ecstasy)

From Donne's religious poems:

Death, be not proud (Holy Sonnet X)

Batter my heart, three person'd God (Holy Sonnet XIV)

Hymn to God, my God, in my sickness

I do hope the group enjoys these--do read them aloud and listen to Donne's voice.
